

CUSTOM BACK-SPACED WHEELS

In addition to the many standard wheel sizes and back-spacing available "off-the-shelf" from Wheel Vintiques, it is possible to order a number of different style wheels custom-made to your specifications. The accompanying charts show what are the minimum and maximum back-spacing dimensions available in both standard and reverse-style wheels. These are extra-cost options, and due to the custom nature of the item, not returnable under any circumstances. Custom back-spacing is available only on steel wheels.
